

## Erin Krysinski, CPA Manager

Erin is a Manager at SVA Certified Public Accountants, where she brings a strong background in assurance services to support her clients' financial clarity and compliance.

She specializes in financial statement audits, reviews, and employee benefit plan audits, with a focus on helping organizations maintain transparency and meet regulatory requirements.

In her supervisory role, Erin leads engagement teams through the preparation and execution of audits, reviews, and compilations. She takes a hands-on approach to managing the audit process, working closely with clients to understand their operations and deliver actionable insights. Her expertise in employee benefit plan audits also allows her to guide clients through the complexities of plan compliance, ensuring accuracy and adherence to governing plan documents.

Known for her attention to detail and commitment to high-quality work, Erin is a trusted advisor to clients in her focus industries. She combines technical knowledge with practical guidance, making her a valuable partner in helping businesses strengthen their financial reporting and internal processes.
