Director, Valuation Services

Cameron is Director of Valuation Services with SVA Certified Public Accountants.

As an experienced credentialed business valuations and intangible asset valuations professional, Cameron prepares equity, business enterprise, and intangible asset valuations for all purposes and uses. He assists clients in mergers and acquisitions, estate settlement, gifting, partnership buy-ins and buy-outs, minority shareholder rights cases, marital settlement cases, bankruptcy, receiverships, restructuring, Net Asset Value needs for hedge funds and private equity groups, financial reporting under GAAP and IFRS, financing support, and litigation support.

With more than 25 years of financial valuation and consulting experience, Cameron has served a wide range of clients, including small business owners, family offices, boards of public companies, ESOP trustees, estate attorneys, bankruptcy attorneys, hedge fund and equity fund managers, and national and international lending institutions.

Prior to SVA, Cameron had over 20 years with Gordon Brothers and predecessor AccuVal Associates as Managing Director of Business Valuations and Intangible Asset Appraisals.

Cameron is a Certified Internal Auditor (CIA) with the Institute of Internal Auditors, an Accredited Senior Appraiser (ASA) with the American Society of Appraisers and has a Certification in Distressed Business Valuation (CDBV) with the Association of Insolvency and Restructuring Advisors.
